Like it HOT? - We steam our milk to 62°C to preserve the body of the milk and to ensure the perfect cup every time. If you would like your coffee hotter just ask your server.

It is really important to us that you feel welcome and we will do all we can to provide you with a happy & healthy eating experience. If you have any **DIETARY REQUIREMENTS**, please let your server know so we can adapt your drink to suit your specific needs.
